

The current specimen reception of Cellular Pathology New Victoria Wing (RVI) will be re-locating to Sir James Spence (SJS).

All samples should be delivered to the new location on Thursday 24th August from 8am. Please do not sample batch during the move, send everything as usual.

Couriers can access via Peacock Hall.

Any specimen related queries can still be directed to specimen reception on 0191 2824565.
